

Welcome to Simcoe Hall's Community Connections

MESSAGE FROM OUR EXECUTIVE DIRECTOR

I'd like to express my sincere gratitude to every community member who supported Simcoe Hall this holiday season. Whether you toured our facility, volunteered, hosted events, shared our posts, or donated to our food and toy drives, your contributions are deeply appreciated. Thanks to your dedication, we upheld the Simcoe Hall Legacy by distributing Holiday Hampers filled with essential items and providing brand new toys and gifts to 1,600 children and youth, ensuring they had a joyous holiday season they might not have otherwise experienced.

We look forward to continuing our partnerships and commitment to serving the community's most vulnerable in the upcoming year.

Check out our social media pages for upcoming events, including our Annual Charity Golf Tournament coming this September!

PROGRAM UPDATES

FOOD BANK UPDATE

December was a very busy month for the food bank, where we prepared food hampers for 1,040 households. We were fortunate to have an amazing group of dedicated volunteers along with the overwhelming generosity of our community!

Our numbers are continuing to rise and we are working hard to provide for our clients, despite a severe decline in donations.

We are currently renovating our food bank space to provide a streamlined intake model which will improve client access.

Stay tuned for all the updates.!

SENIORS PROGRAM

The year-end was fulfilling and memorable. Our Seniors enjoyed a magical Holiday Party with festive music from the 'Singsations' and a traditional homemade turkey dinner complete with all the fixings!

Everyone in attendance received personalized gifts delivered by Santa himself!

If you would like to join our Seniors Program, please call us at 905-728-7525 or email laurian@simcoehall.com

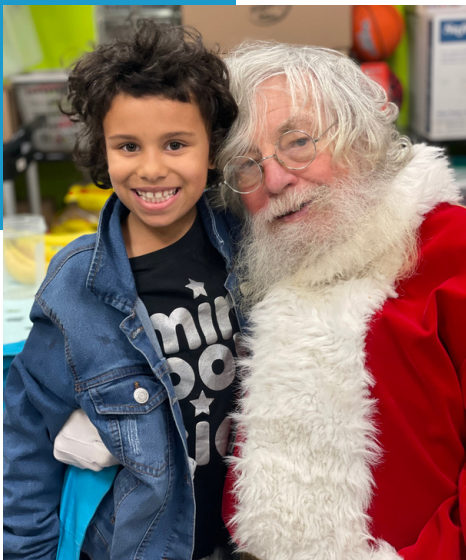

AFTER SCHOOL PROGRAM

Excitement filled the air within the After School Program as the holiday season unfolded, thanks to the generous support from General Motors, Arctic Spas, and RBC! Their contributions ensured every child received a gift, spreading joy and warmth throughout the community.

DJ Lyndz and Company set the stage for another unforgettable evening at our annual Valentine's Spaghetti dinner, bringing families together for a night of music, laughter and delicious food.

We are so grateful to members of our community for the unwavering support that continues to make our ASP a thriving hub for learning and fun!

About the Event

Admission is free!
Food bank donations for Simcoe Hall Settlement House in Oshawa are appreciated.

This interactive event provides attendees with an opportunity to experience agriculture in Durham Region through interactive stations, live farm animals, seeing tractors and meeting farmers. See cows, pigs, sheep, goats, chickens, learn how veggies grow, what crops are grown in the region and learn about making apple cider. This is a wonderful opportunity to explore where your food comes from and speak to Durham Region's farmers.

From kids to grandparents, this event is perfect for the entire family. Demonstrations will take place throughout the event including cow milking, sheep shearing, a chef led local food cooking demonstration, wool spinning, and meet a large animal veterinarian. Don't miss a chance to help us name our new goat and take part in a free draw for a local food basket.

Durham Farm Connections Open House is a free event offered by the farmers of Durham Region.
