

Welcome to Simcoe Hall's Community Connections

Dear Friends of Simcoe Hall,
As we say goodbye to 2024, we reflect on a year filled with growth, challenges, and immense gratitude. Thanks to your unwavering support, Simcoe Hall has expanded our programs, deepened our impact, and provided hope to countless families, children, and seniors in our community.

This holiday season alone, we were able to bring joy to over 2,500 youth with toys and distribute Holiday Hampers to more than 1,000 households, ensuring families had the support they needed. From food security programs to initiatives for seniors and youth, your generosity has strengthened our mission to build a more compassionate, connected community. Looking ahead to 2025, we are excited to build on this momentum—expanding services, addressing growing needs, and fostering even stronger partnerships. Together, we will continue ensuring that every individual we serve feels valued and empowered.

Your commitment inspires us every day. Let's carry this spirit of hope into the New Year, knowing that together, we are creating a brighter future. Thank you for being an essential part of the Simcoe Hall family. Wishing you a joyful and impactful 2025!

~Tiffany Kift, Executive Director

PROGRAM UPDATES

FOOD BANK

We're thrilled to share that our Holiday Hamper Program was a great success! This year, our new appointment system allowed clients to pick up hampers without long waits in the cold. Thanks to our generous community, we provided hampers to over 1,000 households, supporting 2,600 people. Nearly 500 turkeys went to larger families, while smaller households received hams and extra holiday treats. None of this would have been possible without our incredible volunteers, who dedicated 1,300 hours to sorting, packing and distributing. We're so grateful for the ongoing support that helps us make a difference—together!

AFTER SCHOOL PROGRAM

This holiday season, our After School Program was filled with extra cheer, thanks to our generous community. A special thank you to Mark Bull of Bull Financial for gifting shopping cards to ASP families, General Motors for sponsoring our Christmas celebration, and Arctic Hot Tubs for providing fun goodie bags for all of our ASP kids! Thank you for your kindness and supporting our community! Breakfast with Santa was a great success! The event brought together our community, volunteers, and After School Program families for a fun-filled celebration. Two generous donors also made our holiday dinner possible, allowing our in-house cook, Tina and amazing volunteer, Cheryl to serve a delicious meal of roast beef, ham, and salmon with all the fixings! We're so grateful to everyone who supported our Holiday Magic program—your kindness helped make the season brighter for families in our community!

HOLIDAY TOY DRIVE

This holiday season, Simcoe Hall was proud to bring joy to families across our community. Thanks to our generous donors and volunteers, our Toy Program distributed over 2,800 toys, brightening the season for countless children. Despite challenges like a low supply of gifts, amazing partners like Arctic Hot Tubs and R. Havery Landscape and Custom Horticulture stepped up, ensuring every child experienced the joy of the season. We are deeply grateful to everyone who contributed their time, donations, and support. Your kindness made a lasting impact—thank you for being part of the Simcoe Hall family!
